  - a. The Organising Committee will only accept entries for wildcards made by the concerning National Federations invited by the Organising Committee.
  - b. Horses that wish to be eligible to receive a wildcard must be registered at a studbook which is member of the WBFSH.
  - c. Wildcards can be provided to horses which for instance qualified themselves but have not been selected as their native country is not the same as their country of residence. The Organising Committee, in accordance with the FEI, has the right to adjust the number of quotas in case too many qualified horses apply for a wildcard. This might be the case when in the country they have qualified themselves, the National Federation does not want to take them in their quota. This is to keep the number of horses from one breeding area in proportion.
  - d. National Federations who have been given a quota cannot apply for wildcards for horses that are registered in the national studbooks of the nation of that National Federation.
  - e. All applications for wildcards must be motivated by the National Federations and should be accompanied with show results. These results must be faxed or sent by email to the organizer.

- 
- f. The Organising Committee will not provide wildcards to horses that have participated at young horses competitions without success.
- g. After the closing date for the definite entries all National Federations will be advised about the provided wildcards.
- h. The Organising Committee, in consultation with the FEI, will decide upon wildcards; no further appeal is possible.
- i. Wildcards are only provided to specific selected horses. Once these horses are selected, they cannot be substituted by a National Federation. Only the Organising Committee can allow substitutions.
- j. Only horses selected by the Team Manager will be able to apply for a Wildcard
